Dear Sir:

Applicants hereby request the grant of an early filing date in the United States under 35 U.S.C. § 102(e) for the above-identified international patent application in which the United States is a designated country. This petition is filed solely to obtain the early filing date; the Applicants do not waive the thirty (30) month deadline for entry into the National Phase and do not wish the U.S. examination to commence at this time.
